Shortest but nicest gol darn  
letter from Billy Bingham.

Does allright by himself  
farming, raising cattle,  
cotton, soybeans, and pe-  
cans. Quite a mixture.  
Good to hear from you Billy.  
He is also Washington bound  
in 1968. (Boy, Al you bett-  
er get rolling or were going  
to be there with so many darn  
Ex-Kriegies they'll need a

Received my yearly calendar  
from Father Brach. Great to  
hear from him. His work can  
always use extra funds if any  
of you out there want to take  
a little away from Uncle Sam.  
For his message to each of us,  
see Phil. I, 3, 7, 9. A change  
is constant McNamera in a dy-  
ing gasp, saw the Iowa National  
Guard become part of the Minne-  
sota National Guard and the  
Red Bull Diviion (34th) elimi-  
nated. Be a long story on it  
that will be part of the dis-  
plays at Reunion in Washington,  
D.C. October (?) 1968.
