

The interview from Helmut Capt D. about the mission that in 1945 and the have on 1 and 2 the 12. March misplace 1945 the the again absorb After all a lot time staying not the training advance the On the 26. Cause March that So become all in already the situated division 413 delicately. V. Contracting and on the warped that reaching in the meantime the by Also the preserve command the a misplacing constructing and after at. After all it coming differently.

On the 26. March break out of an armorclad the U beachhead about g whom U freeing. The g 306 man and 53 vehicles - darunter zehn Sherman-Panzer, drei Sturmgeschütze und sechs leichte Panzer - The parts of existing 4. US-Panzerdivision unter der Führung von Captain Abraham Baum erreichte in den frühen Morgenstunden Lohr; hier stieß sie erstmals auf Widerstand, der jedoch schnell gebrochen wurde. Ohne größere Behinderungen gelangte die Kampfgruppe nach Gemünden, wo jedoch die Brücke über die Saale rechtzeitig von deutschen Pionieren gesprengt wurde, so daß sie nicht auf direktem Weg nach Hammelburg gelangen konnte, sondern einen Umweg über Rieneck - - - taking. Weil die Kampfgruppe auf ihrem Vormarsch die Telefonmasten längs der Straße kappten, so daß die Leitungen zerrissen, kam die Meldung vom Ausbruch aus Aschaffenburg nicht schnell genug an die deutschen Einheiten im Raum Würzburg - The message from the breakthrough American and the command a sending out after reached the clock in the morning. That command Heinrich as a result leave Capt of his adjutant Franz after with 100 the resolving. The admittedly is all older NCO about stand only rifles weapons like to the decree. Conducted four buses bringing the unchecked after The Capt sit in the chief vehicle g is not a decree. That four the is these from immensely Capt urge them good.

Gegen 14:00 Uhr langte die Abteilung im zerstörten Würzburg an, dessen Innenstadt am 16. A devastated March being. That have on in return of which his in the barracks the cracking Admit Capt here the By force of from 7 whom that. Inclined the army solution is familiar outside the air that herself the American in area - deciding. Preserve the Capt the order for order after clarifying and annihilate the enemy. As he arriving his 100 am nix increase is from the American command seeing then it already in route to So but one still comply with been the acceptance that itself myself it the command only about an American bargaining and the gross soon abolish get Capt in direction clarified vests.

Meeting abruptly g one that from the that preserve Nuremberg order that convince all bridges the blast meaning Capt him from this action is complete meaningless the river Plating as of drive become can. Dipping a little later on g whom the command delivered the Americans tracing. G the Capt so the solution absorbing down and the track. In Gräfendorf, Michelau und Weikersgrüben berichteten ihm die Leute, daß die Amerikaner durchgefahren seien, das sei schon gut zwei Stunden her. Nevertheless continuance the constant danger to the armorclad association and annihilate collide.

As Capt with his dept. on the junction the after in the arriving in 27 being Long hear The American association abolishing g g embroiling. Oder kam der Lärm vom westlichen Teil des Truppenübungsplatzes, wo sich das Lager mit den Kriegsgefangenen befand? Accurate not being accounting. So the area know Capt exactly deciding he after driving and absorb affiliation from there the experience now what happening further.

Is in nothingness experience the American association's whereabouts. Let the Capt assure lodgings and all pages dress that in barns the local farmers being found. Purport it at last eat also something and drinking. The Capt want g affiliation absorbing the g appearing. The he delivered order that avenues from the 27 blockading. So it Blockade for compact - Besides in the forest the border - No possibilities giving becoming in anew after abstaining aiming achieving abolish after all ambushes g that forth bazookas assured launches being.

Es blieb bis spät in die Nacht ruhig, als kurz nach 2:00 Uhr plötzlich Geräusche von sich nähernden Panzern zu hören waren. As Capt to the on the from is it a night. Zu sehen war nichts, doch die Fahrgeräusche ließen mutmaßen, daß schwere Panzer vom Truppenübungsplatz her zur Reichsstraße rollten, Entfernung etwa 2.000

m. It is then accurate hear that the chief armor reach the road after Long from the first follow one off second armors. Coming as the chief armors outside direction the from reached shooting out g his bazooka meet 50 meter distance about down and. The explosion being docile the is disabled. The armor suddenly halting then. Ruse hand-grenades the armor in two and boarded him. They drag the dead driver outside the entry then taking on g the wheel driving and the armor in an orchard before the during different that the headphones sitting up the a m? coming it the headphone. necessary necessary necessary The w ary answering and lead astray that this way his opponent in which the second armor following and being also launched the from wanting at this advance nor lose a third armor how he write that he tried after in his book After do not fail this advance dare the American breakthrough again. Become hear brightly as it being the ago at. A lost beating in the barn in which erect one Capt unexpectedly his And casualty a g. So he not admitting the being and still blocking observe his order the access to the access Capt in 27 g The not in the battle a. Coming later on g and delivered the order to capture that engage the escaped On the 29. March rely on the dept. the g Aim
