on the  
March  
from  
64

This sketch ,and the following 2 more, were drawn by Jay Drake, a POW at Oflag 64 and XIII B. This sketch is of a friend of his, who I do not know, looking through the wire.

END OF THE TRAIL

J.D. 02-4s

This is a sketch by Jay Drake of the end of the day on the 355-mile march from Oflag 64 to Parchim Germany in Jan. and Feb. of 1945. We left Oflag 64 with 1500 men and arrived at Parchim with 450.
