Senator John L. McClellan,
United States Senator,
Washington, D. C. 20000

Dear Senator:

I am sure Fred has shown you the pictures taken on our tour of Millwood Reservoir. The Corps, as usual, had the tour well planned with a wonderful luncheon. We were all sorry that you could not arrange your schedule to be present. Later on in the year when you are in this section we will arrange one for you.

My friend and business associate, George Christopher of Hot Springs and Prescott, has asked me to contact you concerning a trip that he and Robert Thompson of Springdale made to Germany a couple of weeks ago.

Mr. Christopher was so impressed with the courteous hospitality shown American citizens by our Armed Forces in Germany that he wished you would write Colonel Anthony J. DeSanto, USA, MAAG Germany, Box 340, APO New York 09080, expressing your appreciation for the hospitality shown your constituents while visiting in Germany.

Mr. Christopher and Mr. Thompson were in the European Armed Forces during World War II. Mr. Thompson was in a World War II Prison Camp in Germany that they again visited.

I hope to see you on your next trip to Arkansas.

Sincerely yours,

George W. Peck,
President.
